JIC INNOVATION VOUCHERS®

Apply for a **voucher** worth up to EUR

4.000,-

WHY INNOVATION VOUCHERS?

Since 2009 JIC innovation vouchers have helped two-thirds of supported companies to solve a specific technical problem.

At the same time, by participating in the program 60 companies succeeded in finding a research partner with which they are now cooperating on other projects.

Vouchers strenghten the mutual trust between entrepreneurs and researchers.

INNOVATION VOUCHER....

- a subsidy for a company to purchase knowledge from Brno research institutions (75 % cost coverage)
- easy online application procedure
- an effective tool for promoting technology transfer

Innovation vouchers link business with research...
